**AAUW of Virginia 2018 Conference
Portsmouth Renaissance Hotel
April 20-22**

There is no better time to visit Portsmouth, Virginia than in the spring! In this beautiful location, the AAUW of Virginia Conference offers a gathering of AAUW members, workshops, speakers and other activities that have come to make this event a wonderful tradition.

Meet [Edith Mayo](#), an expert on women's political history; [Dr. Zoe Spencer](#), an LAF plaintiff, and [Dr. Christine Darden](#), a hidden figure from NASA and our Woman of Achievement. You will also meet members of the AAUW staff when they update us on AAUW news, and hear great presentations at the workshops.

Join us for a two-day meeting of excitement, renewal and synergy. Read the attached brochure for details.

Registration goes from \$80 to \$95 on April 1.
